

Engineering Capstone Project (OENG1167) PROJECTNAME

Oliver Patterson (S3723206),
Alec Harbis (S3661092),
Ahad Abdul (S3791936)

Supervisor:
Dr Katrina Neville

Date:
03/04/2022

RMIT School of
Engineering

Contents

1	Summary	1
2	Statement of problem	1
3	Background and literature review	1
4	List of design/research questions	1
5	Methodology	1
6	Risk assessment and ethical considerations	1
7	References	1
8	Appendix	2
8.1	Group Work Member Contribution Table	2

- 1 Summary**
- 2 Statement of problem**
- 3 Background and literature review**
- 4 List of design/research questions**
- 5 Methodology**
- 6 Risk assessment and ethical considerations**
- 7 References**
